

RE: Paper Acceptance:
Date:

Dear

Based on the Editors' recommendation, we are pleased to inform you of the acceptance of the manuscript:

Paper No.:

for publication in the Journal:

"CMES: Computer Modeling in Engineering & Sciences"

We appreciate your excellent paper for the publication in the journal. We also look forward to our future interactions with you as an author, reviewer, or an Editorial Board Member.

With the 2003 Impact factor of 1.957, CMES is the highest ranked journal in the disciplines of numerical methods in engineering, and computational mechanics. We sincerely hope that your library subscribes to CMES; if it does not now, we request you to suggest to your library to subscribe to CMES.

Sincerely,

John Simpkins
Journal Department
Tech Science Press.

On behalf of the journal editors.
