License Applicable to the Article

The Article will be published under the Creative Commons Attribution 4.0 International License (CC BY 4.0). This license permits use, sharing, adaptation, distribution, and reproduction in any medium or format, provided appropriate credit is given to the Author(s) and the source, a link to the license is provided, and any changes made are indicated.

Full license text: <http://creativecommons.org/licenses/by/4.0/>

1. Grant of Rights

1.1 The Author(s) grant to the Licensee a non-exclusive, worldwide, perpetual and irrevocable license to publish, reproduce, distribute, display, and communicate the Article, and to identify itself as the original publisher. The license granted includes the right to sublicense the Article to third parties for the purposes of dissemination, indexing, archiving, preservation, and promotion.

1.2 The Article shall be made available under the CC BY 4.0 License, and the Author(s) agree that the Licensee may disseminate the Article accordingly.

1.3 The Licensee shall ensure that the Article is clearly identified as being made available under the CC BY 4.0 License and that appropriate attribution information is provided.

1.4 The Licensee may carry out such technical editing, formatting, and adaptations as are necessary for publication and dissemination, provided that the integrity and meaning of the Article are not materially altered.

1.5 The Licensee may use the Article in accordance with standard scholarly publishing practices, including dissemination, indexing, archiving, and promotion of the Article and the Journal.

1.6 The Licensee may perform text and data mining and other automated analytical techniques on the Article for purposes such as indexing, discovery, and improving publishing services, provided such use complies with applicable laws and does not misrepresent the Author(s)' work.

1.7 This Agreement shall become effective upon acceptance of the Article for publication. If the Article is not accepted, this Agreement shall automatically terminate and all rights granted shall revert to the Author(s).

2. Copyright

2.1 Copyright in the Article shall remain vested in the Author(s).

2.2 The Author(s) grant the Licensee the right to publish the Article and to identify itself as the original publisher.

2.3 Nothing in this Agreement shall limit or restrict the rights granted to the public under the CC BY 4.0 License.

2.4 The Author(s) assert their moral rights in the Article. The Licensee shall respect such rights in accordance with applicable laws and scholarly publishing practices.

2.5 The Licensee may deposit the Article with third-party repositories, indexing services, and archiving systems, and may enable access through such platforms.

3. Author Rights and Article Versions

3.1 The Author(s) retain the right to share all versions of the Article, including the Submitted Manuscript, Accepted Manuscript, and Version of Record, in accordance with the CC BY 4.0 License.

3.2 When publicly sharing the Article, the Author(s) shall provide appropriate citation to the Version of Record, including the Journal title and DOI.

4. Warranties and Representations

The Author(s) warrant that:

4.1 The Article is original and does not infringe any third-party intellectual property or other rights.

4.2 All necessary permissions have been obtained for any third-party content included in the Article.

4.3 The Article does not contain any unlawful, defamatory, or otherwise improper material.

4.4 All authors have approved the submission and have the authority to enter into this Agreement.

4.5 All relevant ethical approvals, consents, and regulatory requirements have been satisfied.

4.6 The Article has not been previously published and is not under consideration for publication elsewhere.

4.7 The Author(s) have not granted and will not grant any rights or licenses that conflict with the rights granted to the Licensee under this Agreement.

4.8 Any use of artificial intelligence tools in the preparation of the Article complies with the Journal's policies and has been appropriately disclosed.

4.9 The Author(s) agree to comply with the Journal's policies on data availability, research ethics, and transparency, as applicable.

5. Liability and Indemnity

5.1 The Licensee makes no representations or warranties regarding the accuracy or completeness of the Article.

5.2 The Author(s) shall indemnify, defend, and hold harmless the Licensee, its affiliates, officers, employees, and agents from and against any and all claims, actions, demands, damages, losses, liabilities, costs, and expenses (including reasonable legal fees) arising out of or in connection with:

(a) any breach of the warranties set out in this Agreement;

(b) any claim that the Article infringes any intellectual property or other rights of any third party;

(c) any violation of applicable laws, regulations, or ethical standards.

5.3 The Licensee shall not be liable for any indirect, incidental, or consequential damages arising from the publication or use of the Article.

5.4 Each party shall be responsible for its own acts and omissions.

5.5 The Licensee makes no warranties, express or implied, including but not limited to warranties of accuracy, completeness, merchantability, or fitness for a particular purpose.

6. Changes to Authorship

Changes of authorship, including, but not limited to, changes in the corresponding author or the sequence of authors, are not permitted after acceptance of a manuscript except in accordance with the Journal's authorship change policy.

7. Post-Publication Actions

The Licensee reserves the right to retract, correct, withdraw, remove, replace, or otherwise amend the Article in accordance with COPE guidelines and standard publishing ethics.

8. Entire Agreement

This Agreement constitutes the entire agreement between the parties and supersedes all prior agreements, understandings, or representations relating to the Article.

9. Force Majeure

Neither party shall be liable for failure or delay in performing its obligations due to events beyond its reasonable control.

10. Severability

If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall remain in full force and effect.

11. Governing Law and Dispute Resolution

11.1 This Agreement shall be governed by and construed in accordance with the laws of the State of Nevada, USA, without regard to its conflict of laws principles.

11.2 The parties shall use good faith efforts to resolve any dispute, controversy, or claim arising out of or in connection with this Agreement through negotiations. If the dispute is not resolved within ninety (90) days from the date one party notifies the other in writing, either party may proceed as set out below.

11.3 Any dispute, controversy, or claim arising out of or in connection with this Agreement shall be subject to the exclusive jurisdiction of the state or federal courts located in the State of Nevada, USA. The parties hereby irrevocably submit to such jurisdiction and waive any objections based on venue or inconvenient forum.
